

**SVRA Technical Bulletin #TB2011-001-rev 1**

**Subject: Changes to Grp 10**

**From: Colin King, Technical Director**

**Date: December 18, 2010**

### **The following changes occur to more clearly define Grp 10**

The re-organization of Grp 10 is to more specifically define the cars eligible. In the past, Grp 10 had become a dumping ground for those vehicles that did not fit SVRA's groups 1 through 9. Group 10 will now consist of the following cars. Other makes/models to be added at the discretion of the Technical Director.
