

SVRA Technical Bulletin #TB2011-002

Subject: Introduction of Grps 11 and 12

From: Colin King, Technical Director

Date: December 20, 2010

SVRA will be adding two new racing Groups for 2011. They will be Grp 11 and Grp 12. It is expected that the addition of these two run groups will more clearly define what was once Grp 10. Other makes and models may be added at the discretion of the Technical Director.

Group 11 will consist of:
