

SVRA Competition Bulletin #CB2011-002

Subject: Sprint and Enduro Championships Scoring Systems

From: Raymond Snowdon, Race Director

Date: January 18, 2011

For 2011, changes have been made to the scoring systems for both the Optima Batteries Sprint Championship and the Mike Stott UBS Financial Endurance Series. These changes have been made to simplify the points systems and to focus on fair competition on the race track.

Below are short summaries of changes to both Championships. Please refer to the detailed descriptions for both Championships on the SVRA website under "Racing Series".

Optima Batteries Sprint Championship:

For 2011, the Championship will include 7 SVRA Sprint events

Points will be awarded for finishing places 1st through 10th in class

A driver must compete in a minimum of 4 SVRA events to be eligible for the Championship

Drivers may count their best 6 events

Mike Stott UBS Financial Endurance Championship:

For 2011, the Championship will include 7 SVRA Enduro events

Points will be awarded for finishing places 1st through 10th in class

Drivers may count their best 6 events
