

SVRA Technical Bulletin #TB2011-005

Subject: Group 12 Classes

From: Colin King, Technical Director

Date: May 25, 2011

At the beginning of the year we announced Group 12 without clear direction of where that group would end up. We now have 3 races behind us and have a better idea of Group 12's direction.

Below is the definition and classes for Group 12; other makes and models may be added at the discretion of the Technical Director.

Group 12 Definition

Production-based contemporary cars based on performance history. Turbos and class make-up will be adjusted by lap-time performance. Below are examples of different classes; others may be added at the discretion of SVRA.

Group 12, Class A (5.1 Litre and above)

Corvette 7 Litre
Dodge Viper

Group 12, Class B (3.6 Litre to 5.0 Litre)

Porsche GT2, GT3 and Cup cars
Porsche 996 3.6 Litre
Porsche 935, 936 RSR and R Clones
Corvette 5.0 Litre
Ford Mustang, Motorola Cup cars (4.6 L)

Group 12, Class C (2.0 Litre to 3.5 Litre)

Porsche Caymans
Audi S4, S4 Sport (2.7L)
Panoz GTR-A

Group 12, Class D (Up to 2.0 Litre)
