

SVRA Technical Bulletin # TB2011-007

Subject: Helmet Requirement for 2012

From: Raymond Snowdon, Competition Director

Date: November 15, 2011

For the 2011 racing season, member organizations of the Vintage Motorsports Council agreed to extend the use of racing helmets with the Snell rating of SA2000 for the 2011 racing season.

This bulletin serves as a reminder that this extension expires December 31, 2011. Beginning January 1, 2012, the SVRA requires competitors to use helmets that have the Snell SA2005 rating or newer (SA2010).
