Important Please Read

Please print and use this form to pre-order your racing fuel for the event. Orders must be received by the appropriate VP Racing Fuels office by the order cut-off date. VP will not guarantee the delivery of any order received after the order cut-off date. VP will have fuel on site for sale on race day, but submitting a pre-order will ensure you get the specific fuel you want in the quantity you need to ensure optimum performance and maximum protection for your engine.

Pre-orders that are not taken may result in a \$50 per drum restock charge. VP staff at the Regional Office will assist in determining the appropriate fuel for your applications.

For additional assistance with fuel selection or tech questions, you may also contact: VP Tech Support at: 812.878.2025 or tech@vpracingfuels.com
