

Open Wheel World Challenge

Participation Guidelines

Celebrating 50 years of Formula Fords with
“The Formula Ford World Championship”
Also featuring
“The Formula Jr. World Tour”

These participant guidelines are intended to answer questions regarding driver license requirements, car eligibility, log book documentation, safety preparation, and tire rules for Formula Cars at SVRA's Open Wheel World Challenge June 8-11 at the historic Indianapolis Motor Speedway. This event is to be all inclusive for every open wheel car ever built, age is not a factor.

The provisional OWWC schedule includes 11 separate race groups and over 30 distinct Classifications of Formula Cars. If you do not see a class for your car please contact rick@svra.com.

A complete race weekend schedule including great off-track events like a group photos, a prize drawing, oval drive around and Fan Walk will be included in the Schedule.

All drivers must attend the Drivers Meeting on Friday morning at 7:30am, roll will be taken.

There will be a maximum per group car count and once groups are full, a waiting list shall be maintained by date entered.

Please make sure you are familiar with all the rules and regulations via the links below

For more Formula Ford details please see the "[Formula Ford Participation Guidelines](#)" Document.

The SVRA General Rules & Regulations, Supplemental Tire Regulations as well as the Monoposto Historic Formula Ford and Club Formula Ford class specifications and the SCCA General Competition Rules (GCR) shall govern this event. Links to these documents are provided below:
