

TB2018-001

Subject: 2018 Rules Update

From: Rick Parent, Technical Director

Date: Jan 5, 2018

Most of the Rules changes are minor and marked in **Red**; please check the General Rules and Regulations, Tire Regulations and Group Regulations to see how your car may be affected.

Important things to note;

- All Can-Am type cars have been moved to Group 7 and have 4 distinct Classifications.
- All S2000 cars have been moved to Group 5.
- Nitto NT01 and Toyo RA1 may be used with specific tread wear guidelines.
- Avon and Dunlap tires have been added to the FF approved tire list.
