From: Rick Parent, Technical Director

Date: Feb 2, 2018

The B-Sedan Competition Passport is now available online. Please follow the instructions below.

- Please send an email to [rick@svra.com](mailto:rick@svra.com) with your intentions to participate in the B-Sedan Series and which car you will be using, you may enter more than one car.
- The Passport will then be added to your "Car Info" page.
- Please fill out the requested information and upload all relevant pictures
- Once your Passport has been approved it will be locked, to access the passport at a later date simply send a request for a specification change, the Passport will be temporarily unlocked for changes and once approved will be locked again.

The Competition Passport must accompany all cars at all B-Sedan Challenge races and it is our hope that this document will aid in the ease of scrutiny for event organizers as well as fellow competitors; this document will be available on the SVRA Website for public viewing as well.
