

EVENT INFORMATION

Licensing:

The National event is open to competitors that hold current competition licenses or driving privileges from VMC recognized vintage racing organization. If you hold a temporary license from a VMC recognized group, you may enter the event, but will be required to take the Driver Orientation Program (DOP) on Thursday. Make sure you have your Licenses, I.D. and any other documents that you need to submit with you when you go to Registration. If you forget or misplaced your documents, it is the participant's responsibility to contact their home organization for proper documentation if needed. If you have questions, contact Alex Miller (alex@svra.com) SVRA National Licensing Director.

SVRA Rules Compliance for Car Type, Group and Class:

It is the responsibility of the entrant to understand and comply with all of the relevant rules of SVRA. It is especially important to be familiar with SVRA's Tire rules, Head and Neck requirements, and Fuel Cell requirements. You can review all of the SVRA rules and requirements, the Competition Bulletins and Technical Bulletins on our website at svra.com. Please confirm that you have a current Race Car Compliance Form (RCCF) and an Engine Certification Form on file with SVRA for every car entered. Contact Rick Parent, SVRA Technical Director with car compliance issues that need to be addressed, prior to the event at (rick@svra.com).

Head and Neck Restraints:

Mandatory for this event and all SVRA events. These systems must meet SFI 38.1 Standards. Other devices may be approved. Please review [Competition Bulletin CB2013-009](#) or contact rick@svra.com.

Transponders:

Transponders are required for all entrants and the number is recorded in an accessible location and available during Tech Inspections. A limited number of rental units are available. Please contact Janet Harhay (jharhay@aol.com) prior to March 23rd if a rental is needed.

Schedule: PROVISIONAL SCHEDULE (PDF) on event page
