

Registration:

Located toward the end of COTA Blvd on Driver's left past Parking Lot H and near the Elroy Road intersection. You must go to Registration before entering the track.

Tech Inspection:

Located in Garage 7 in the Main Paddock.

Staging of Haulers:

PLAN AHEAD. If you are planning to park with someone, come into the Staging Lanes together. All haulers, follow Circuit of The Americas Boulevard to the crossroad at the end of the track property at Elroy road intersection. Cross Elroy road and turn right into the Staging lot past the Registration building. Follow along the lot to the back end, and turn around in a "U" turn and come back to the correct line for staging. Signage will assist you in this effort. This is the most efficient way to get you in order for load-in.

Lane 1 is for Garage tenants and Prep shop haulers and will be sent in first on Wednesday

Lane 2 is for Gooseneck and tag trailers and will be sent in after Lane 1 is clear

Keep to driver's right lanes 1 & 2.

Trans Am rigs follow the same procedure and keep to driver's left in front of the Trans-Am only signs, to line up.

If you come in after hours, you will be directed to stage in parking lots to the left on COTA Blvd. You will be escorted into the track in the morning, after the staging lot has cleared.

Remember if you wish to paddock next to a friend, you must stage one behind the other, so you can flow in together. We cannot save space inside for late comers.

Haulers containing multiple cars must have the entrant names of the cars they contain. Provide this information to the paddock marshal to aid in the parking process.

Paddock Regulations and Information:

Parking spaces will accommodate ONLY a hauler (tow vehicle) plus applicable awning. One (1) Paddock Pass per Hauler. All personal vehicles will be parked in Parking Lot A. Shuttles will run between Registration in Parking Lot A / A Paddock, Main/Garage Paddock, B-Support Paddock and H-Parking area beginning Thursday at approximately 10:00am and stop running at approximately 6:30pm (Saturday night, the shuttles will run until 9:30 due to the Awards Banquet in the Media Center Ballroom).

Paddock Care:

The asphalt may not be punctured by anchors, stake, jack stands, etc. Use weights, water buckets, etc. (Do not use N2 bottles). All awning or tent poles must have wood pads

under them. Some type of trailer tongue rest must be used to prevent sinking into asphalt. Spills, leaks, liquids etc. must be cleaned up properly. Drip pans are suggested. COTA staff will monitor the paddocks on a regular basis and assess paddock facility damages.

MAIN/GARAGE/PADDOCK: primary paddock for garage renters, event tire suppliers and SVRA Sponsors and Vendors. Grid, Tech, Control, Medical, Media Building, and the COTA Cafe are located in this paddock. there is no electricity in paddock area. Over-night camping, non-tow vehicles, buses or RVs are **not allowed** in this paddock.

GARAGES:

One (1) garage equals one (1) support hauler. Due to the presence of electrical and fire equipment, every effort will be made to place the hauler as close as possible. No awnings, tent structures, etc. may be erected off of these haulers. Fueling, storing of fuel or starting/running a race car in a garage is **STRICTLY PROHIBITED**. Fuel should be stored in your hauler. There will be no egress through the pit-side doors.

B-SUPPORT PADDOCK: OVER-NIGHT CAMPING ALLOWED in your hauler/tow vehicle. This paddock services the TRANS AM SERIES and overflow for SVRA entrants. There is no electricity in this paddock. Non-tow vehicles, buses or RVs are **not allowed** in this paddock

A-PADDOCK – Primary paddock location for SVRA vehicles. We will be using 50% of PARKING LOT A for paddock space. OVER-NIGHT CAMPING ALLOWED in your hauler/tow vehicle. Please note that due to soft asphalt, RV levelers should be placed on wood blocks rather than directly on the asphalt. This paddock services all entrants. No electricity is available in this paddock. Non-tow vehicles, buses or RVs are **not allowed** in the space being used as paddock. (RV pad rentals with hookups are available via COTA).

A-PADDOCK – Non Paddock Space: allocated to the parking of personal vehicles. Non-tow vehicles, buses and RVs **ARE ALLOWED** in this area of Paddock A.

H-PADDOCK: This area is just outside of the Tunnel at Gate 2 and will be the site for the Jaguar Smart Cone Experience. We encourage every driver, crew, and fan to participate in both the Jaguar Smart Cone and the Land Rover Motorcross activities. Please support our Sponsors.

F-PADDOCK: This area is across from H-Paddock and will be the site for the Jaguar Land Rover Motorcross.

Paddock pit speed is 10 mph.

Paddock Support Vehicles:

Because of the size and scope of the COTA facility, the use of a support vehicle of some kind is suggested. Golf carts, scooters, mini-bikes, 4-wheelers are permitted as long as operator is legally licensed and over the age of 17. All vehicles must follow the designated "traffic-flow" pattern per the Event maps. Support vehicle ID stickers will be available at Registration.

No personal vehicles will be issued a Paddock Pass.

Paddock Access/Drop-offs:

It is understood that there may be a need to bring a non-credentialed vehicle into the paddock to drop off people/equipment/supplies. The driver will be required to leave their Drivers License or State I.D. at the entry gate and return within 30 minutes of entry.

Special Needs:

Paddock access will be provided to those individuals with Handicap designations on driver's licenses or display card used for everyday parking.

RV and Toter Parking:

OVER-NIGHT CAMPING ALLOWED in your hauler/tow vehicle in the B-SUPPORT Paddock and the A-Paddock only. If you have a separate RV, Bus or Toter that is not your Hauler/Tow vehicle, you will need to be parked in the Premium RV area outside Gate 2 – (contact COTA for reservations for these spots) or in the non-paddock areas of the A Paddock.

RV Pad Rental with Hook-ups (50 amp service), are available through COTA. Any questions or to reserve, please contact:
