

Atlanta SpeedTour Going Live on the SVRA App

The Atlanta SpeedTour is going live on the SVRA App this weekend!

Watch Saturday & Sunday's SpeedTour races from anywhere in the world using the new and improved SVRA App. Use the app to watch the races on the big screen with casting to Smart TVs available using Chromecast and Apple Airplay. If you're on the go, take the race track with you and watch the stream at any time on your Apple or Android device. If you get caught up in the day and miss your favorite group, it's no problem. All of the races are available for replay within minutes of the checkered flag.

The SVRA App is your go-to place to stay up-to-speed during a SpeedTour event. Enjoy the digital event program, check the entry lists and view the weekend schedule all in one place. Plus get caught up on the latest series news, watch video highlights and more.

Don't miss a second of the at-track action – download the SVRA App, here:
