Staging

Turn into the track at Gate one, SVRA rigs turn left into the staging lanes and follow the signs.
Walk back to registration in the far lot to register.

Load in

It is planned that initial load-in will begin on Wednesday March 24 at 1:00 PM.

Enter the track from Gate 1 only. Turn left and get into the staging lane for your category.

Prep shops and vendors in lane 1

Long rigs, (semi's and toters, and rigs over 40 ft. long lane 2

Pick-up's with tag trailers in lane 3.

IGT entries in lane 4

If you want to paddock with another team, you must get into the same lane together

Please consult the load-in map on the Atlanta link on the SVRA website

Registration

After parking walk back to the Registration building and register for the event. A COVID-19 form and track waiver will need to be signed at that point. A wristband will be given to each participant at that point. You will also have your temperature checked. Return to your rig and be ready to move in soon.

Tech

In the Tower Paddock near the skid pads by Pit out.

Fuel

Sunoco, the official racing fuel of SVRA will be available at the Sunoco pumper near the track fuel pumps. The Sunoco contact is David Wells (david@insingerperformance.com). Sunoco will have 110 and Supreme 112 leaded, 98 unleaded (260 GTX) without ethanol and 100 with ethanol.

Fueling Hours: Thurs., Fri., Sat. -7:30am. - 4pm. Sun. – 7:30am. - 11am.

Waste Fuel

Waste fluid "Safety Clean" containers are located near the track VP fuel pumps in the Tower Paddock

Tires

Participants may order race tires for at track delivery mounting and balancing from Sasco Sports (434-822-7200 or dave@sascosports.com) You may also order tires through Tire Rack - you will need to have the tires purchased from Tire Rack shipped to you so you can bring them to the track. SASCO will mount and balance them for you for a fee, but do not have these tires shipped to SASCO.

Garages

No garages are available for rental at this venue.

RV/Camping

OVER-NIGHT CAMPING IS ALLOWED in your hauler/tow vehicle in the PADDOCK, space permitting and at the direction of the paddock marshals. Limited electrical is available in the paddock, payable to Michelin Raceway Road Atlanta. No water or dump station on site , but servicing can be obtained from Clay Crocker with Nix Tank Company (clay@nixtankco.com or 678-776-6340).

Race Control/ Timing and Scoring

New Tower, on the 4th floor. A small number of transponders are available for rent in T&S if you notify Janet Harhay (jharhay@aol.com) by Nov 13th.

Driver's Meetings

Planned to be done via virtual meeting prior to event. For anyone who has not completed the virtual meeting, it will be available to view at SVRA Tech.

Quiet Hours

Sunday 10:00AM-12:00PM is a quiet time at Michelin Raceway Road Atlanta. No on-track race activities or running of engines in the paddock are allowed during this time. The PA will be used only for emergency messages.
