Waste Products:

UMC shall erect, at the East and West day garages, collection facilities for used fluids and waste materials. Participants are required to make use of these for all waste material and fluid disposal, using the appropriate receptacles (as identified on each drum).

Hazardous Material Control:

Spills of damage causing fluids such as oils, hydraulic and brake fluids, gasoline, anti-freeze, battery acid, etc., may occur and can cause significant damage to pavement and grass surfaces and the environment as well as creating dangerous situations for track users and other participants. All spills must be treated immediately on occurrence. UMC management must immediately be advised of all spills.

Golf Carts

Highland Golf

Wylee Carlson

wylee@highlandgolf.net

801-809-2155 cell

801-322-9311 fax

Outside of the kart track, all drivers of motorized vehicles must have a valid license. Children and young adults without a license may not drive any motorized fuel or battery powered vehicle on the property.

Damage to Paved Surfaces

No holes or any other damage may be caused to any paved surfaces. Tents and canopies must be held down by weights as no tent pegs of any kind are allowed. Flat blocks or wood squares should be used to absorb weight beneath any equipment that may cause damage to the surface, such as trailer legs, jack stands, and kart stands.

Concrete Blocks for Canopies

Are available for rent please contact: Jennifer Long 801.577.6780 jennifer.long@umcampus.com

Catering

No outside catering. For team/group catering please contact: Jennifer Long 801.577.6780

jennifer.long@umcampus.com
