US Vintage National Championship	COTA (Double Points) (Counting Saturday Races only)

- Championships** for each group will be awarded to the driver who attains the highest number of points counting their top six finishes and overall will be awarded to the driver who attains the highest number of points from all races attended. A “finisher is a competitor who has completed 50% of the number of laps completed by the winner. The driver must participate in a minimum of 3 race events to qualify for the year-end championship. The driver must be an SVRA member by 7/1/23.
- The Sprint Series Championship Awards** will be presented at our Sebring event, February 2024.
- Sprint Series** points will be awarded to the driver in each class within each SVRA Feature Race Group. Points from different groups/classes may not be combined. A driver may score points in any car at his/her disposal as long as it is in compliance with all SVRA Rules and Regulations.

1 st	16 Points	4 th	7 Points	7 th	4 Points	10 th	1 Point
2 nd	12 Points	5 th	6 Points	8 th	3 Points		
3 rd	9 Points	6 th	5 Points	9 th	2 Points		

Points are earned from both the Saturday and Sunday Feature Races. For the COTA Race, points will be doubled and be applied to the Saturday Feature Races only. The Sunday Helmet Races at COTA do not count as a points race for 2023. One point will be awarded to competitors finishing 11th and below and completing the first lap of a race. NC/Multi-Class designated competitors are not podium eligible and cannot score points.
- To garner points, the driver who competes in sprint races, must be the driver who qualifies that specific car.
- Drivers found at fault in an on-track incident may be required to forfeit Sprint Championship points as deemed appropriate by the Race Director.
- Tie.** In the event of a tie, the tie will be broken by (1) the driver with the greater number of higher placed finishes, (2) the driver who has competed against the greater number of cars in class, (3) the driver who has competed in the most events, (4) the driver completing the greatest number of race laps.
