

SVRA Technical Bulletin

TB 2025-01

Subject: 2025 rules updates.

From: Rob Elson, Technical Director

Date: January 16, 2025

Rules updates:

There have been minor rules updates to a few specific sections of SVRA Rules. Please review the General Regulations and noted Group Rules to see the changes. Please check for any changes that may affect your car. Below is a brief description of updates. In previous years red text has been used to indicate changes. This may have caused some confusion so the red text is shown in the Technical Bulletin, but the text in the Rules and specific sheets is not shown in red text.

- General Regulations
 - Clean up of Regulations to try and make easier reading. Cross outs have been removed and changes made are in the text.
- Group 1 Spec Sheet. Change made was addition of 1500cc engine on the MG Midget Spec line, this was already indicated on the individual car specification sheet, but it was needed in the Group 1 Rules to make things more clear.
